Pine Lake Restoration Society
Carol Moen,
PO Box 202
Pine Lake AB T0M 1S0

Dear Carol,

**Re: 1346731 ALBERTA LTD. O/A Sandy Cove Developments
Water Act Application for
Approval to construct and maintain an outfall structure to Pine Lake
Located in NW 12-36-25-W4M**

Thank you for your letter expressing concerns about this application.

Your concerns will be considered in the review of the application. By copy of this letter, Sandy Cove Developments is being advised that you have concerns regarding this application.

Your letter is considered as an official Statement of Concern pursuant to the *Water Act* and, as such, you will be advised of the Director's decision pertaining to this application.

For your information regarding creosote wood waste enclosed is our fact sheet entitled Management of Chemically Treated Wood Waste which is also available on our website at <http://environment.gov.ab.ca/info/library/7644.pdf>

If you have any questions regarding the process that is being followed in our review of these applications, please contact Andrew Patton at 403-340-7052.

Yours truly,

Todd Aasen, P.Eng.
District Approvals Manager
Central Region – Red Deer
